Before you Submit
Use these requirements when submitting an instruction to invest into a **new unitholder account**.

Important:
Additional documentation may be required depending on the investor and investment. Always refer to the relevant application form and prospectus before submitting your instruction.
Include the **Coverall** and **Distribution Mandates** with every application or new account opening request.

Account opening requests CANNOT be submitted by email.

Is a Formal Application Form Required?

Yes – If the investment is:
In a **new name** or with **new registration details**

-Submit a **formal application form**
-Send by **Post or Document Upload**

No – If the investment is:
A **new designation** holding under an **existing registered name**

--Send by **Post, Phone** or **Fax**
(With the exception of new investors dealing into the PAIF fund range. The initial deal would need to be instructed via fax/post along with the PAIF declaration form).

Key Requirements

FATCA and CRS self certificates	Required (Certificates can be provided after the trade).
PAIF Funds	Yes – Client must complete a declaration
Instruction Signatures	Two authorised signatures are required. Signatories must print their name and state their capacity
Default Distribution Method	Pay out
Distribution Mandate Submission	Post or Document Upload
